# Dedicate a brick paver to a loved one.

AT THE WILLIAM CHILDS HOSPICE HOUSE

# Pave a path for peaceful hospice care.

Each year, hundreds of families spend their final days together, surrounded by comfort and serenity at the William Childs Hospice House. Patients and their loved ones can enjoy five acres of pathways and gardens - including a beautiful butterfly garden - and appreciate quiet reflection in our chapel.

Your memorial gift through our Brick Paver Program supports quality hospice care in a home-like setting.

## A lasting tribute.

Through our William Childs Hospice House Brick Paver Gift Program, you can purchase commemorative bricks as an enduring memorial for your loved one.
